

Recover Lincolnshire Newsletter Issue 1 • July 2020

Welcome to the first Recover Lincolnshire newsletter.

Lincolnshire Teaching Schools Together recognise the substantial work that schools are now facing in order to ensure their pupils and students can access high quality education and can get back on track to meet curriculum expectations, achieve their individual potential, and to be ready for their next stage of education or employment.

LTT, funded by LCC, are working together to provide this 'Recover Lincolnshire' programme of support for schools.

Virtual networks, access to resources and specialist support, and signposting of wider opportunities, will provide leaders and teachers across Lincolnshire with a universally accessible toolkit to help them in the months ahead.

Information on accessing the **Recover Lincolnshire** activity will be sent out regularly via Teaching Schools, Locality Leads and on the weekly school news bulletin through this newsletter. You can also visit the <u>LTT website</u> for all up to date information.

Latest updates

Thrive Network

The Thrive Network is a new seminar session for **leaders** for the autumn term, exploring key themes **of leadership in turbulent times** and for recovery. The Thrive Network will meet three times in the autumn term, virtually in small groups, and is **open to all LincoInshire Headteachers**, with up to 150 places available. Focus themes will include resilience and resourcefulness, trust and team, culture and curriculum.

The purpose of the network is to provide training and input on key issues in leading recovery and education, to address burning issues and questions of recovery of education, to signpost other areas of Recover Lincolnshire and wider school improvement opportunities, and to build a network and community for collaboration, reciprocity, sharing of resources, and expertise.

The Thrive Network sessions will be complemented with a blended learning approach:

- Online sessions/seminars
- Synchronous and asynchronous digital content (live interactive and recorded content)
- Gap activities, reading, and purposeful reflection
- Building community and network connections

Registration for the Thrive Network is now open. Please use the Google form here: https://forms.gle/bmyeZW8kL1PUbPWS7

The deadline for registration is midday on **Monday 14th September**. Following registration you will be allocated to a network, each of which are being led by LTT Teaching Schools. Partnerships and relationships will be taken account of to compliment existing collaborations.
