EAST MIDLANDS SKE is part of Lincolnshire SCITT and The Priory Federation of Academies whose reputation for strong subject knowledge training is evident. We offer:

- a national Computing Hub and the Science Learning Partnership for Greater Lincolnshire,
- Specialist Delivery SLP for Physics, one of just two national contracts, selected by STEM Learning
- partnership with online provider VIDLEARN, a commercial organisation with an established record of designing and producing SKE content that has been used successfully to deliver online SKE courses since 2014
- expert tutors in every subject, with substantial classroom experience
- efficient and helpful administration team.

Applications to our SKE programme are made through the Vidlearn website:
<https://ske.vidlearn.ac.uk/partners/emske.html>

Candidates should ensure they meet the eligibility criteria before application.
