

SECONDARY COMPUTING COURSES

All Computer Science Accelerator (CSA) courses are free to all state-funded schools and academies and have bursaries attached. Please see individual courses for further details.

SUMMER TERM COURSES 2022

Face-to-face

All the following courses are being held at The Keyworth Centre, Skellingthorpe Road, Lincoln LN6 OEP

Higher Attainment in GCSE Computer Science

Thursday 19th May 9.30am-3.30pm

Python Programming: advanced subject knowledge, implementation and testing

Tuesday 21st June 9.30am-3.30pm

Maths in Computer Science

Tuesday 7th June 9.30am-3.30pm

Python Programming: Analysis, design and evaluation

Friday 8th July 9.30am-3.30pm

All remote delivery

All the following courses are being held remotely and are made up of facilitator-led online sessions & gap tasks.

An introduction to computer systems, networking & security in computer science

Monday 16th May 2.30pm-3.30pm

Thursday 19th May 2.30pm-3.30pm

Friday 20th May 2.30pm-3.30pm

Computer processors and instruction sets

Wednesday 15th June 2.30pm-3.30pm

Friday 17th June 2.30pm-3.30pm

Tuesday 21st June 2.30pm-3.30pm

Python programming constructs: sequencing, selection & iteration for AQA specification

Monday 4th July 2.30pm-4pm

Wednesday 6th July 2.30pm-4pm

Friday 8th July 2.30pm-4pm

Foundation knowledge of computer science for KS3 and GCSE

Tuesday 28th June 2.30pm-4.30pm

Wednesday 29th June 2.30pm-3.30pm

Friday 1st July 2.30pm-3.30pm

Supporting GCSE computer science students at grades 1-3

Monday 11th July 2.30pm-3.30pm

Wednesday 13th July 2.30pm-3.30pm

Friday 15th July 2.30pm-3.40pm

Monday 18th July 2.30pm-3.40pm
