

## TRAIN TO TEACH WITH LINCOLNSHIRE ITT

Lincolnshire ITT is an accredited provider for Primary and Secondary routes to becoming a teacher. We collaborate with a number of Lead Partners to offer high quality School Centred Initial Teacher Training.

## PRIMARY TEACHER TRAINING

Lincolnshire ITT offers initial teacher training across Lincolnshire and Greater Lincolnshire. The practical and school-based nature of the training programme ensures that all trainees will become career ready, confident teachers. Our large, successful partnership of schools enables us to offer placements in the following regions and beyond: Lincoln, Grantham, South Lincolnshire, Sleaford, North East Lincolnshire, Boston and East Lindsey.

We work hard to ensure that trainees are placed locally as part of our commitment to work life balance. Trainees are well supported by our expert mentors, who model and demonstrate high-quality practice. Trainees build their teaching commitment gradually, as their confidence grows. All training is delivered by local or national experts, which ensures that trainees have access to current research and best practice. We are proud that our long-standing partnership with the University of Lincoln means that the PGCE (60 Master's credits) is carefully integrated into the programme. As well as support from our experienced SCITT team, trainees will have full access to university services.
